

PRACTICE CARD # 1

*Order Sort*

Take three word cards at a time. Write the three words in alphabetical order. Put the cards aside and then continue with another group of three cards.

complete using student page # 1

PRACTICE CARD # 2

*Colors*

Take a word card. Write the word using different colored pencils. Take a new card and continue in the same way.

Example:

happY

PRACTICE CARD # 5

***Make Pyramids***

Pick eight word cards. Make a pyramid from each word by starting with the first letter and adding one letter at a time. Here is an example of how to write the word turkey:

t  
tu  
tur  
turk  
turke  
turkey

MAKE ACTIVITY FOR NEXT STUDENT CARD # 12

***For the Next Student: Word Picture Code***

Design a different shape or picture for each letter of the alphabet to make a picture code. Then take ten word cards. Using one word at a time, write the word using your picture codes. For example, if you design the letter H as a green rectangle and the letter E as a red circle, you would draw the word HE like this:
